To help you locate some tiller model manuals, you may need the SV or GX engine number. Here's how to find it: Mantis 2-cycle tiller: SV number is located between the gas tank & the carburetor, behind the gas line, on a black and silver tab on the silver engine housing. It will consist of the letters "SV," a number and another letter. Examples: SV4A, SV4B1E. For Mantis Honda-powered 4-cycle tiller: GX number is located on top the engine above the pull start. It will consist of the letters "GX" and numbers. Example: GX25 Note: For Mantis Tiller model 7222M manual, locate the SV number on your tiller then locate the corresponding 7222 manual. Serial Number label location: 4-cycle - gas tank. 2-cycle - recoil cover. Electric 7250 - bottom housing of motor. 3550 and 3558 models - cover under carry handle.
